GRANDE PUISSANCE

The image contains three separate geometric diagrams. The first is a 2D octagon. The second is a 3D perspective drawing of a cube, showing front, top, and right edges. The third is a 3D perspective drawing of a hexagon, showing front, top, and right edges.

Three geometric shapes are shown side-by-side. From left to right: a large octagon (8 sides), a medium octagon (8 sides), and a small octagon (8 sides). All shapes are drawn with thin black lines.
