## IMPORTANT SAFEGUARDS

All Juiceman® products are designed with your safety in mind. When using electrical appliances, basic safety precautions should always be adhered to, including the following precautions:

- Read all instructions and save for future reference
- Remove any stickers before using the citrus juicer.
- To protect against risk of electrical shock, do not put cord, plugs or appliance in water or other liquid.
- Fully unwind the power cord before use.
- Always make sure the citrus juicer is properly assembled before plugging in and using.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use, before putting on or taking off parts, or before cleaning.
- Avoid contacting moving parts.
- Do not operate any appliance with a damaged cord or plug or after the appliance malfunctions, or is dropped or damaged in any manner. Contact the consumer service number listed in this manual.
- The use of attachments not recommended by Juiceman may cause fire, electric shock or injury.
- Do not use outdoors.
- Do not let cord hang over edge of table or counter.
- Do not let cord touch hot surfaces or become knotted.
- Do not let cord contact hot surface, including the stove.
- Do not let cord become knotted.
- Use caution when operating the appliance - do not place hands or fingers near moving or rotating parts.
- Do not use this appliance for other than intended use.
- Keep the appliance clean; refer to care and cleaning section of this manual.
- This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.

## SAVE THESE INSTRUCTIONS

This product is for household use only.

## SAFETY FEATURES

### POLARIZED PLUG (120V MODELS ONLY)

This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit into a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to modify the plug in any way.

### TAMPER-RESISTANT SCREW

**Warning:** This appliance is equipped with a tamper-resistant screw to prevent removal of the outer cover. To reduce the risk of fire or electric shock, do not attempt to remove the outer cover. There are no user-serviceable parts inside. Repair should be done only by authorized service personnel.

### ELECTRICAL CORD

- 1) A short power-supply cord is provided to reduce the risk resulting from becoming entangled in or tripping over a longer cord.
- 2) If a long detachable power-supply cord or extension cord is used,
  - a) The marked electrical rating of the extension cord should be at least as great as the electrical rating of the appliance.
  - b) If the appliance is of the grounded type, the extension cord should be a grounding-type 3-wire cord, and
  - c) The longer cord should be arranged so that it will not drape over the countertop or tabletop where it can be pulled on by children or tripped over unintentionally.

**Note:** If the power cord is damaged, please contact the warranty department listed in these instructions.

# Meet your CITRUS JUICER

With your new citrus juicer you can enjoy fresh, simple juices at home.

1. Storage Lid (Part# 04181PZ11)

4. Strainer (Part# 04184MZ181)
5. Pulp Container (Part# 081255MZ181)
6. Anti-drip juice spout (Part# 770277)
7. Spindle
8. Motor Base
9. Cord Storage (under unit)

**PERFECT FOR:**  
small & large  
citrus fruits

## HOW TO JUICE

*This product is for household use only.*

### GETTING STARTED

- Remove all packing material, any stickers, and the plastic band around the power plug.
- Go to [www.prodprotect.com/applica](http://www.prodprotect.com/applica) to register your product and visit [www.juiceman.com](http://www.juiceman.com) for more recipes, tips and tricks.
- Wash all removable parts as instructed in **CARING FOR YOUR CITRUS JUICER**

**IMPORTANT:** Do not rinse or immerse base in water or any other liquid.

- Place base on a dry, level counter and get ready to juice.

## ASSEMBLING YOUR JUICER

**STEP 1:** Place the pulp container onto the spindle of the base

**STEP 2:** Place the strainer on top of the pulp container.

**STEP 3:** Choose a cone size and lower it on top of strainer.

- a. The small cone is perfect for lemons, limes and other small fruits
- b. The large cone is great for oranges, grapefruit, and other large fruit

**NOTE:** When using the large cone, place the small cone inside it or the small cone can be used by itself.

**STEP 4:** Place the storage lid on top of the cone when not using your citrus juicer.

## USING YOUR JUICER

1. Unwrap the cord from underneath the base.
2. Plug the cord into a standard electrical outlet.
3. Prep your fruit by cutting it in half.

**TIP:** Make simple orange juice or make things interesting with blood oranges and tangerines!

4. Remove the storage lid from the citrus juicer.
5. Place a glass or container under the stainless steel juice spout and make sure juice spout is in the down position.

**TIP:** The juice spout snaps up for easy storage and to prevent dripping. The juice spout snaps down when juicing directly into your glass!

6. Place the cut side of the fruit down over the cone. Using moderate to firm pressure, press the fruit down to start the juicing action. The cone will rotate clockwise until the pressure is released. By applying pressure again, the cone rotates counterclockwise.

**NOTE:** The cone changes direction every time you release the pressure and stop pressing the fruit down on the cone - this ensures you can enjoy every last drop of juice.

**NOTE:** Do not run citrus juicer for more than 2 minutes at a time.

7. The motor stops automatically when you remove the fruit from the cone or if the pressure is completely released.
8. When you finish juicing, raise the juice spout to stop the juicer from dripping.
9. Enjoy your juice as is or add it to smoothies for a fresh and flavorful addition!

# CARING FOR YOUR CITRUS JUICER

*This product contains no user serviceable parts.  
Refer service to qualified service personnel.*

## CLEANING:

1. Always unplug the unit before cleaning or when not in use.
2. Pull up on juicing cones to remove from strainer.
3. Remove the strainer from the pulp container.
4. Lift pulp container off of spindle.
5. Rinse the strainer, pulp container and cones immediately after each use. Use a bristle brush to remove fine pulp that may remain.
6. Use dish soap and warm water to wash all removable parts or place in the dishwasher, top rack only.
7. Wipe the base with a damp cloth or sponge. Do not immerse in water or place in the dishwasher.

## STORAGE:

1. Unplug the unit. Wrap the cord around the cord wrap underneath the base.
2. Assemble all parts and place storage lid over the juicer cone to keep it dust free.

## JUICING TIPS & TRICKS:

-  Drink your juice right away for maximum vitamin potency and nutritional value
-  Add leftover pulp to breads and baked goods for extra fiber and sweetness
-  For best results use fruits that are fresh and firm
-  Enjoy a glass a fresh citrus juice in the morning for a quick energy boost

# CITRUS FRUIT HEALTH

*Citrus fruits are an excellent source of key vitamins and nutrients. You can easily get more of these nutrients by consuming citrus juices. Below is a list of some of the benefits of citrus fruits, in addition to the taste!*

FRUIT	NUTRIENT
 LEMON	Vitamin C, Folate
 LIME	Vitamin C
 ORANGE	Vitamin C, Vitamin B1
 BLOOD ORANGE	Vitamin C, Fiber, Carotenoids, Potassium, Anthocyanins, Calcium, Vitamin A
 TANGERINE	Flavonoids, Vitamin C, Potassium
 GRAPEFRUIT	Vitamin C, Bioflavornoids, Lycopene, Dietary Fiber

# JUICE RECIPES

## BLOOD ORANGE & GRAPEFRUIT | SERVINGS: 2 cups

Juice 3 blood oranges and 2 red grapefruits. Combine and serve.

---

## “TANG”ERINE JUICE | SERVINGS: About 2 cups

Juice 3 tangerines, 1 orange and 1 lemon. Mix together for a refreshing “tangy” beverage.

---

## FRESHLY JUICED LEMONADE | SERVINGS: 8

### INGREDIENTS:

- 6 lemons, juiced
- 5 cups water
- 2 tsp. Stevia
- 1 lemon, sliced
- Fresh mint sprigs

### DIRECTIONS:

Mix lemon juice, water, and Stevia in a pitcher. Cover and refrigerate 30 to 60 min. to allow flavors to blend. Serve over ice and garnish with lemon slices and fresh mint.

---

## SPICY CITRUS COOLER | SERVINGS: 4

### INGREDIENTS:

- 1 cup water
- 3 Tbsp. sugar
- 2 Tbsp. peeled and grated ginger
- 2 red grapefruits
- 2 limes
- Sparkling water

### DIRECTIONS:

Combine water, sugar and ginger in small sauce pan. Bring mixture to a boil, reduce heat and simmer 5 minutes. Remove from heat; let stand 10 minutes. Strain, reserving ginger water.

Juice grapefruits and limes and combine with ginger water. Pour into tall glasses with ice and a splash of sparkling water. Garnish with lime.

---

## MULLED ORANGE CIDER | SERVINGS: 12

### INGREDIENTS:

- 8 cups apple cider
- 3 cups freshly juiced orange juice
- 2 sticks cinnamon
- ½ tsp. allspice
- ¼ cup packed brown sugar
- 1 orange, sliced and halved

### DIRECTIONS:

Combine all ingredients in slow cooker pot. Stir. Cover and cook on high for 2 hours. Garnish with orange slices.

---

## SWEET ORANGE SMOOTHIE | SERVINGS: 4

### INGREDIENTS:

- 2 oranges
- 1 cup milk
- ½ cup powdered sugar
- 10-12 ice cubes

### DIRECTIONS:

Juice oranges into a 1 cup measure. Place juice and remaining ingredients into a blender. Cover; blend until smooth and frothy.

---

## PEPPERMINT PALMER | SERVINGS: 4

### INGREDIENTS:

- 1 cup water
- ¾ cup sugar
- 4 peppermint tea bags
- 4 lemons, juiced
- 2 cups cold water
- Mint for garnish

### DIRECTIONS:

Heat hot water and sugar in small sauce pan until sugar is dissolved. Add tea bags; remove from heat and let steep 15 minutes.

Combine fresh lemon juice, tea mixture and 2 cups cold water in a large pitcher. Stir to combine. Refrigerate at least one hour.

Serve over ice garnished with fresh mint leaves.

---

# WARRANTY & CUSTOMER SERVICE INFORMATION

For support or any questions regarding your appliance, call the appropriate 800 number listed within this section. Please **DO NOT** return the product to the place of purchase. Also, please **DO NOT** mail product back to manufacturer, nor bring it to a service center. You may also want to consult our Product Protection Center at [www.prodprotect.com/applica](http://www.prodprotect.com/applica).

## THREE-YEAR LIMITED WARRANTY

(Applies only in the United States and Canada)

### WHAT DOES MY WARRANTY COVER?

- Your warranty covers any defect in material or workmanship provided; however, the liability of Spectrum Brands Inc. will not exceed the purchase price of product.

### HOW LONG IS THE WARRANTY PERIOD?

- Your warranty extends three years from the date of original purchase with proof of purchase.

### WHAT SUPPORT DOES MY WARRANTY PROVIDE?

- Your warranty provides you with a reasonably similar replacement product that is either new or factory refurbished.

### HOW DO YOU GET SUPPORT?

- Save your receipt as proof of date of sale.
- Visit the online service website at [www.prodprotect.com/applica](http://www.prodprotect.com/applica), or call toll-free 1-800-231-9786, for general warranty service.
- If you need parts or accessories, please call 1-800-738-0245.

### WHAT DOES MY WARRANTY NOT COVER?

- Damage from commercial use
- Damage from misuse, abuse or neglect
- Products that have been modified in any way
- Products used or serviced outside the country of purchase
- Glass parts and other accessory items that are packed with the unit
- Shipping and handling costs associated with the replacement of the unit
- Consequential or incidental damages (Please note, however, that some states do not allow the exclusion or limitation of consequential or incidental damages, so this limitation may not apply to you.)

### HOW DOES STATE LAW AFFECT MY WARRANTY?

- This warranty gives you specific legal rights. You may also have other rights that vary from state to state or province to province.
